Sail Size ft/m ²	51/4.8
Hull Weight lbs/kg	80/36
Self Draining Limit	1
Max Capacity	2
Kickup Rudder	
Daggerboard	
Transparent Monofilm Sail	

Years spent making the old Sunfish indicated it was too tippy, fragile, complex, and expensive. So we launched the user-friendly sailboat revolution. We re-invented sailing with Escape's unique features:

Stableform[®] Shape Up to 3x (300%) less likely to tip.

AutoSail[®] Self-Teaching Sailing System - Just match the colors to the sail.

SimpleRig[®] Sets up like a kite in seconds. No boom to bonk your head. No ropes to tangle you in the seating area. Lightweight for easy set-up. Instinctive & minimal handling controls.

Polyethylene Hull Withstands unimaginable punishment.

Hi-Tech Transparent Sail Safely see traffic.

Drink Holders Sailing should be FUN & REFRESHING.

● **Our mission is to empower anyone to sail, and to deliver you an Escape sailboat that will make you love sailing for the sake of sailing!**

● **Escape gets used 4x more than the typical sailboat!**

● **50% of Escape owners never sailed prior to their Escape purchase!**

● **The world's best selling sailboats!**
